Who are people you like and want to be around during free time? What objects or activities do you enjoy doing or playing with during free time? Thinking about the 5 senses, what do you enjoy listening to, looking at, touching, eating, or smelling? What are foods you enjoy eating?	Who are people you don't like and avoid seeing? What objects, games, tasks, or activities do you resist or avoid playing with? What do you not enjoy looking at, listening to, touching, eating, drinking, or smelling? What are some foods or beverages you would avoid eating?	What activities or tasks are done when asked, but never done if not asked? Who are people you wouldn't necessarily hang out with, but wouldn't mind being around them if forced to? What are some foods, drinks, smells, sounds, and/or visuals you don't love but don't hate either?
